E/F Kronløbshuset

This document describes how to create an account on the ProBo communication platform used by the homeowners union Kronløbshuset.

Just follow the steps below.

1. Select the "Gå til ProBo" link in the upper left corner of this page
2. Select the "opret dig med fælleskode" link, marked in red
3. Type the code ("fælleskoden"): hundkaffepandatorsk
4. Press the "Log ind" button
5. Fill in the questions on the page, which appears. The fields are explained in the table below

Danish	English	Explanation
Adresse	Address	By using this listbox, you will be able to find your address
E-mail adresse	E-mail address	-
Mobiltelefon	Mobile phone number	-
Fornavn	First name	-
Efternavn	Surname	-
"Jeg er IKKE adressens ejer eller andelshaver" checkbox	"I am NOT the owner of this appartment" checkbox	Please check mark this box, if you are NOT the owner of the appartment
Adgangsgode	Password	This is the password you use to authenticate when you log in using your e-mail address
Bekræftelse af adgangskode	Confirm your password	

6. Press the "Opret bruger" (Create User) button

Now you are able to login and start using the ProBo platform.
